ANNUAL ISSUE 6, ACADEMIC YEAR 2020-21

From Editor's Desk

Academic session 2020-21 is memorable for many of the reasons. Covid-19 lockdown due to pandemic situation aroused out from attack of Corona Virus first time ever forced every human being and every institution to assess themselves on SWOT analysis. This threat though restricted few traditional methodologies of teaching-learning but opened a new arena of online world and provided the opportunity to convert the weakness into strengths. Adoption of new modes, new platforms, new technologies became indispensable. Most affected are educational institutions and so most strengthened is being teaching-learning process. Department of Architecture and Interior Design also successfully undergone with these makeshifts and proven its strengths. Online real-time classes, events including webinars, seminars, virtual visits and competitions now become integral part of the teaching-learning process. The newsletter showcases departmental efforts of transition from traditional teaching-learning to E-teaching-learning.
